

Privacy Policy

We highly value the privacy of our clients, partners, and stakeholders. This Privacy Policy outlines how we collect, use, and safeguard information in the course of providing our import-export and logistics services.

1. Information Collection

We collect only the necessary personal and business information required to deliver our services effectively and comply with applicable regulations.

2. Purpose of Use

The information we collect is used strictly for communication, shipping, customs clearance, compliance, and related business operations.

3. Data Security

We implement stringent data protection practices and utilize secure systems to prevent unauthorized access or misuse of information.

4. Information Sharing

We do not share data with third parties unless it is required by law or necessary for fulfilling legal trade obligations.

5. Compliance

We adhere to Indian data protection guidelines as well as international trade compliance standards to ensure the privacy and security of your information.

6. Updates

This Privacy Policy may be updated periodically to reflect changes in our practices or regulatory requirements. We are committed to maintaining transparency and will notify you of any significant changes.

Your privacy is of utmost importance to us, and we strive to protect your information with the highest standards of security and integrity.
